*Increasing
neighborhood
sustainability
through
community
participation and
resident action*

Sustainable Neighborhoods

How does it work?

- Residents complete projects, organize workshops and events, and compete in neighborhood challenges that advance sustainability
- Use the Goal & Target Areas to help guide your project selection:

Make this program your own!

Choose projects that are meaningful to you and beneficial to your neighborhood

City Support

- The Sustainable Neighborhoods team provides support in the form of:
 - In-kind resources
 - Connections to City agencies and Non-profit organizations
 - Outreach and Promotion
 - Printing
 - Venue and catering fees
 - Park permits
 - Staff time to support projects

Earning Credits

- Neighborhoods submit **Proposal** and **Credit** forms on the Sustainable Neighborhood Network site*

- Credits are awarded based on outcomes such as:
 - Participation
 - Hours Committed
 - Activities Completed
 - Goals Reached
