Neighborhood Name:	<input type="text"/>	Date Submitted (MM/DD/YYYY)	<input type="text"/>
Applicant Name:	<input type="text"/>	Applicant Email:	<input type="text"/>
Applicant Address:	<input type="text"/>	Applicant Phone:	<input type="text"/>
Address 2:	<input type="text"/>	City:	<input type="text"/>
		ZIP:	<input type="text"/>

2. Neighborhood: You must apply as one of Denver's officially recognized neighborhoods. (Please refer to this [Neighborhood Map](#) for guidance.)

Neighborhood:

3. Approximately how many households are there in your neighborhood? (If you are not sure, take a guess or leave blank. We can verify this number later.)

Number of Households:

4. Does your neighborhood have a registered neighborhood organization (RNO)?

- Yes If yes, what is the name of the RNO?
 No
 I'm not sure

Please use the criteria below to shape your narrative in a separate document. (Maximum 5 pages)

Neighborhood Background

- Provide background information on the neighborhood, including neighborhood boundaries, neighborhood size/population, and diversity of the neighborhood (socio-economic, race, ethnicity, age can all be considered).
-

History of Success and Collaboration (What has the neighborhood accomplished?)

- Describe past projects and initiatives led by the community, including organizations or groups the neighborhood partnered with to make those projects successful.
-

Community Input (How has the neighborhood at-large has been involved in the application?)

- Demonstrate that input for the application was gathered from the neighborhood at-large. Ideas and feedback can be solicited from neighbors at in-person meetings and by conducting in-person or online surveys.
-

Sustainability Goals and Projects (What does the neighborhood want to accomplish and how?)

- Set goals for neighborhood sustainability. Provide a detailed explanation of the projects, events, and workshops the neighborhood proposes to organize to in order to meet the neighborhood sustainability goals. **(Refer to the [“Goals, Target Areas, Suggested Projects”](#) brochure for ideas.)**
-

Neighborhood Support (Is the neighborhood at-large interested in participating?)

- Demonstrate neighborhood support by collecting signatures in support of the application, either in-person or through an online methods (surveys, petitions, etc.). This includes-but-is-not-limited-to signatures or letters of support from residents, the Registered Neighborhood Organization, appropriate City Council member(s), and local organizations and businesses.
