

Resource List

Sustainable Neighborhoods Denver Updated May 2017

Community Outreach

<i>What It Is</i>	<i>What It's Good For</i>
Social Networking	
<p>Facebook Description: Online social-networking site where you create a personal profile, add friends, post status updates, and exchange messages. Must have an account to participate. www.facebook.com</p>	<p>Announcements; instant messaging with friends; sharing links and photos; not great for discussions.</p> <p>*Difference between Group & Page Groups: Other FB users can join, post, and respond to comments on the group page. Pages: Other FB users can “like” but not participate.</p>
<p>Twitter Description: Online social-networking and microblogging site where users can send and read 140-character messages, or “tweets.” twitter.com</p>	<p>Short, quick announcements; sharing photos from events; following other organizations around Denver; keeping up with the news.</p>
<p>NextDoor Description: Online social-networking site specifically for neighborhoods. Allows users to connect with their neighbors. nextdoor.com</p>	<p>Getting to know your neighbors; exchanging local information and events; more exclusive than Facebook.</p> <p>*You must register with a real name and real physical address in that neighborhood.</p>
<p>MeetUp Description: Online social-networking site that facilitates offline (real-life, in-person) group meetings. www.meetup.com</p>	<p>Finding and joining groups based on common interests and location; starting your own group.</p> <p>*There is an organizer fee to create and maintain your own group (\$12-\$19 per month). This can be paid by organizer, organizer can charge membership fee to join, collect dues at meetings, etc.</p>

Community Outreach

<i>What It Is</i>	<i>What It's Good For</i>
File Sharing	
<p>Google Drive Description: Store 15GB worth of files for free. drive.google.com</p>	<p>Accessing files from anywhere; inviting people to share files with you; editing documents collectively.</p>
<p>Dropbox Description: Create a shared file on your desktop to easily share documents, photos, etc. with other users. www.dropbox.com</p>	<p>Securely sharing files for collaboration; storing and sharing photo and video galleries; backing up files/data.</p>
<p>PhotoBucket Description: Free service to host your photos online. photobucket.com</p>	<p>Free photo hosting; easy sharing (through links, emails, slideshows, and more).</p>
Email	
<p>Mail Chimp Description: Sign up as an entrepreneur and you can send 12,000 emails to 2,000 subscribers for free, forever. mailchimp.com</p>	<p>Keeping email contact lists up to date and without duplicates; designing templates for emails; tracking how many people have opened your email and clicked on the links within.</p>

Search Engines with Purpose

Ecosia

Description: Ecosia is the search engine that plants trees with its ad revenue. Share Ecosia and show your friends how they can do good just by searching the web. Over 7.5 million trees have been planted so far, and the goal is to reach 1 billion by 2020.

www.ecosia.org

The Eco Key

Description: This "Eco-Google" allows users to enjoy the benefits of the powerful Google search with the added benefit of an "Eco-filter" which is an added option designed to enhance searches to bring you relevant, green search results. For Example A search for "dish soap" using the Eco-Filtered Search option delivers results that are limited to eco-friendly, sustainable dish soap.

www.TheEcoKey.com

Goodsearch / Goodshop

Description: This search engine and digital coupon database works with more than 110,000+ organizations, ranging from national charities to local schools and community groups. Users can raise money for their favorite cause by searching and shopping online.

<https://dug.org/compost/>

Enroll in Denver’s Compost Collection Program

Description: A paid service offered by the city that will actually pick up your compostable items for you, every month!

<https://www.denvergov.org/content/denvergov/en/trash-and-recycling/composting/compost-collection-program/compost-collection-program-signup.html>

Energy Efficiency

Energy Efficiency

Denver Energy Challenge

Description: Take the Denver Energy Challenge and speak with a free energy advisor today!

www.denverenergy.org

Xcel Energy Partners in Energy

Description: Xcel Energy is looking to partner with Denver neighborhoods to participate in the 2-year program. Over the length of the program Xcel works with residents to develop custom energy action plans, and provides the resources and information to meet those goals.

www.xcelenergy.com

Looking for qualified contractors to get your Xcel rebate?

Search this list: hvaceducation.net/xcel-co/public_search.cfm

Low-income Energy Efficiency

Denver Urban Renewal Authority

Description: Provides financial assistance to support redevelopment and rehabilitation activities throughout the city; including single family rehab loan program and emergency home repair program.

www.renewdenver.org

Energy Resource Center

Description: ERC offers FREE home energy assessments and weatherization services to income-qualified Colorado residents in 11 counties.

www.erc-co.org

Groundwork Denver

Description: Focused on building partnerships and providing support to the diversity of Denver residents who want to improve their neighborhoods through community involvement and civic engagement.

groundworkcolorado.org

Mile High Youth Corps

Description: Gives youth ages 16 to 24 a chance to earn an income and learn hands-on job skills while serving in their communities. Energy & Water Program: MHYC installs low-cost energy and water savings measures to help nonprofit groups, faith based organizations, and residents of both single and multiple family units save money on their bills.

www.milehighyouthcorps.org

Gardening

Denver Botanic Gardens

Description: Botanical garden offering garden displays, outdoor exhibits, and gardening classes and workshops.

www.botanicgardens.org

Denver Digs Trees

Description: Affordable trees for planting on public and private property. Trees are \$10 each in 25 low canopy 'target' neighborhoods and \$35 each throughout the rest of the city of Denver. No longer taking applications this year, but keep it in mind for next year!

theparkpeople.org/Programs/DenverDigsTrees.aspx

Description: CSU Master Gardeners are trained volunteers.

www.cmg.colostate.edu

The GrowHaus

Description: Non-profit indoor farm, marketplace, and educational center.

www.thegrowhaus.com

Produce for Pantries

Description: Encourages home, school, and community gardeners to plant, grow, and share produce with food pantries and hunger-relief organizations in their neighborhoods. Once you have produce, just call the Hunger Free Hotline at [855-855-4626](tel:855-855-4626) and get the location and contact information for the closest pantry to you.

www.produceforpantries.com

Gardening

Become a Community Forester

The Park People's Community Forester Program

Description: Learn to lead tree planting and care activities within your neighborhood!

<http://www.theparkpeople.org/Programs/CommunityForester.aspx>

Learn to Plant and Maintain a Xeriscape Garden

City of Denver's list of Xeriscape Resources

Description: The Denver Metro area hosts many resources for individuals and businesses looking to transform their landscaping into less water-intensive gardens.

<http://www.denverwater.org/Conservation/Xeriscape/XeriscapeResources/>

Growing Community Gardens

Denver Urban Garden's Best Practices Handbook for Creating and Sustaining Community Gardens

Description: The intention of the Denver Urban Gardens' Best Practices Handbook is to provide a tangible road map, with technical assistance directions, to guide you toward your goal of a sustainable community garden. An updated second edition will be available for purchase soon, but the current handbook is available for free by following the link below.

dug.org/app/uploads/2015/02/Best-Practices.pdf

Learn to be an Urban Farmer

Groundwork Denver's Urban Farmer Training Program

Description: Onetime and ongoing educational opportunities designed to expose participants to all aspects of urban farming, including seed starting and planting, gardening best practices, natural pest control, beekeeping, food preservation, and environmental sustainability.

Check the calendar for upcoming classes: www.groundworkcolorado.org/events

Healthy Living

Denver Community Active Living Coalition

Description: Diverse group of community members who believe that all Denver residents, including kids, older adults, the disabled, and the disadvantaged, should have equitable access to safe, vibrant places to walk, bike, ride transit, and play.

www.denvercalc.org

Safe Routes to School

Description: Denver's Safe Routes To School (SRTS) program use a variety of strategies to improve the ability for children to safely walk and bicycle to school. Many Denver schools struggle with traffic congestion and environmental pollution. Additionally, an increasing number of children in our communities engage in less daily physical activity, contributing to Denver's growing childhood obesity epidemic. Successful SRTS programs involve the whole community - parents, children, schools, the city, residents, neighborhoods, non-profit organizations and public health agencies.

www.denvergov.org/srts

LiveWell Colorado

Description: LiveWell Colorado increases access to healthy eating and active living by removing barriers that inequitably and disproportionately affect low-income communities and people of color. This organization facilitates programs supporting healthy communities and schools, provides ways for individuals to get involved, and offers resources and funding opportunities to effectuate change.

www.livewellcolorado.org

Transportation

Denver B-cycle

Description: Bike sharing program, where you can pick up a bike at one B-station and return it at any other B-station. Membership fees do apply.

denver.bcycle.com

Mile High Connects

Description: A partnership of private, public, and non-profit organizations committed to increasing access to housing choices, quality schools, jobs, and other essential services via public transit.

milehighconnects.org

Walk2Connect

Description: Promote personal, social, and community wellness through custom built and themed walking trips for individuals and groups. They can create fun walking opportunities, neighborhood-specific walking maps, wayfaring signs, and more!

walk2connect.com

Way to Go

Description: Way to Go provides reliable, easy, environmentally-friendly, no-nonsense commuting options to Denver area commuters.

www.waytogo.org

RTD

Description: Bus and light rail transit service to Denver, Boulder, and surrounding cities in Colorado.

www.rtd-denver.com

Vision Zero

Description: Vision Zero incorporates the City of Denver's transportation and mobility vision into specific objectives and strategies related to education, enforcement and improvements to our transportation system.

www.denvergov.org/visionzero

Description: Financing of Renewables and Efficiency

<http://www.nrel.gov/docs/fy10osti/47097.pdf>

Solar Decathlon 2017

Description: The American Solar Energy Society (ASES) has teamed up with the US Department of Energy Solar Decathlon and ASES chapter Colorado Renewable Energy Society (CRES) for an extraordinary event-filled two weeks in Denver, Colorado from October 5-15, 2017.

- Solar Decathlon: October 5-15 www.solardecathlon.gov
- Metro Denver Green Homes Tour: October 7 www.goldensolartour.org
- ASES Solar 2017: October 9-12 www.solar2017.org

Waste Reduction

Composting

Denver's Compost Collection Program

Description: The Compost Collection program is a fee-based program available in certain areas of Denver.

Click [Here](#).

Recycling

Denver Recycles

Description: Information on pickup schedules, what can and cannot be recycled, tips on how to increase your recycling rate, and more!

www.denvergov.org/DenverRecycles

Glass Recycling

Clear Intentions

Description: Clear Intentions is a minority woman-owned and operated business that diverts glass from landfills and processes it into a high-quality crushed glass called cullet, which is used in the manufacturing of new glass bottles, terrazzo, and fiberglass insulation. Clear Intentions helps reduce landfill waste, reduce manufacturing emissions, and brings communities together around glass recycling through cause-branding efforts.

www.clearintentions.glass

Momentum Recycling

Description: Momentum Recycling operates a glass recycling plant in Salt Lake City, UT and opened a new state-of-the-art Broomfield, Colorado facility in 2016 that is a bottle-to-bottle glass recycling plant. When glass recycling is successful, we are able to develop new, local markets and applications for recycled glass that currently do not exist.

colorado.momentumrecycling.com

Water Efficiency

Denver Water

Description: Information on ways to reduce water consumption, where and how to find WaterSense products, xeriscaping, and more! Denver Water has a demonstration Xeriscape garden open to the public; follow the second link for more information on the garden.

www.denverwater.org/Conservation

www.denverwater.org/Conservation/Xeriscape/XeriscapeResources

City of Denver's Residential Rebates for Improved Water Efficiency

Description: The city will reward you with financial incentives for certain steps taken to improve water efficiency.

<http://www.denverwater.org/Conservation/Rebates/ResidentialRebates/>

Water Efficiency Tips & Tricks

Description: Check out this website for user-friendly ideas for improving water efficiency for Denver households.

<http://wateruseitwisely.com/100-ways-to-conserve/>

Funding Opportunities

The Denver Foundation

Description: Colorado's oldest and largest community foundation that invests funds through grants to nonprofits, manages and administers personalized funds that have specific charitable objectives, and works with the community and philanthropic leaders to address challenges in the Metro Denver area.

www.denverfoundation.org

Strengthening Neighborhoods Fund

Description: Denver Foundation's grassroots neighborhood development program, which makes grants directly to residents for projects that the residents develop and lead. Grants range from \$100 to \$5,000.

www.strengtheningneighborhoods.org

The Colorado Health Foundation

Description: Invests in grants and initiatives to health-related nonprofits that encourage healthy living and increase the number of Coloradans signed up for health insurance.

www.coloradohealth.org

The Piton Foundation

Description: Private foundation funded by the Gary Community Investment Company to develop and implement programs that improve education, expand economic opportunities for families, and strengthen low-income communities.

www.piton.org

Surdna Foundation

Description: Makes grants to nonprofit organizations in the areas of Sustainable Environments, Strong Local Economies, and Thriving Cultures Grants with the goal of fostering sustainable communities.

<http://www.surdna.org/what-we-fund/funding-overview.html>

Funding Opportunities
