

Resource List

Sustainable Neighborhoods Denver Updated September 2014

Community Outreach

<i>What It Is</i>	<i>What It's Good For</i>
Social Networking	
<p>Facebook Description: Online social-networking site where you create a personal profile, add friends, post status updates, and exchange messages. Must have an account to participate. www.facebook.com</p>	<p>Announcements; instant messaging with friends; sharing links and photos; not great for discussions.</p> <p>*Difference between Group & Page Groups: Other FB users can join, post, and respond to comments on the group page. Pages: Other FB users can “like” but not participate.</p>
<p>Twitter Description: Online social-networking and microblogging site where users can send and read 140-character messages, or “tweets.” twitter.com</p>	<p>Short, quick announcements; sharing photos from events; following other organizations around Denver; keeping up with the news.</p>
<p>NextDoor Description: Online social-networking site specifically for neighborhoods. Allows users to connect with their neighbors. nextdoor.com</p>	<p>Getting to know your neighbors; exchanging local information and events; more exclusive than Facebook.</p> <p>*You must register with a real name and real physical address in that neighborhood.</p>
<p>MeetUp Description: Online social-networking site that facilitates offline (real-life, in-person) group meetings. www.meetup.com</p>	<p>Finding and joining groups based on common interests and location; starting your own group.</p> <p>*There is an organizer fee to create and maintain your own group (\$12-\$19 per month). This can be paid by organizer, organizer can charge membership fee to join, collect dues at meetings, etc.</p>

Community Outreach

<i>What It Is</i>	<i>What It's Good For</i>
File Sharing	
<p>Google Drive Description: Store 15GB worth of files for free. drive.google.com</p>	<p>Accessing files from anywhere; inviting people to share files with you; editing documents collectively.</p>
<p>Dropbox Description: Create a shared file on your desktop to easily share documents, photos, etc. with other users. www.dropbox.com</p>	<p>Securely sharing files for collaboration; storing and sharing photo and video galleries; backing up files/data.</p>
<p>PhotoBucket Description: Free service to host your photos online. photobucket.com</p>	<p>Free photo hosting; easy sharing (through links, emails, slideshows, and more).</p>
Email	
<p>Mail Chimp Description: Sign up as an entrepreneur and you can send 12,000 emails to 2,000 subscribers for free, forever. mailchimp.com</p>	<p>Keeping email contact lists up to date and without duplicates; designing templates for emails; tracking how many people have opened your email and clicked on the links within.</p>

Beautification & Public Art

Denver Arts and Venues

P.S. You Are Here

Description: A citywide creative placemaking and neighborhood revitalization program that will cultivate collaborative, community-driven, outdoor projects in Denver's public spaces. Grant recipients can earn up to \$8000 for projects to activate public space and enhance the quality of life within a Denver neighborhood or corridor.

artsandvenuesdenver.com/create-denver/psyah

Urban Arts Fund

Description: A graffiti prevention and youth development program which facilitates the creation of new murals in perpetually vandalized areas throughout the City and County of Denver. The UAF provides access to positive, creative experiences for youth and transforms dilapidated areas into well-tended and active community gathering spaces.
