

# Sustainable Neighborhoods Application Signature Sheet

Gather signatures from neighbors who support your neighborhood joining the Sustainable Neighborhoods Program. A minimum of 20 signatures is recommended.

Strong applications include signatures from residents living in all areas of the neighborhood. Please scan or take a photo of completed signature sheets and submit either by using the allotted space in the application or by emailing scans or photos of the completed signature sheets to [SustainableNeighborhoods@lakewood.org](mailto:SustainableNeighborhoods@lakewood.org).
